

# LUCKYBIRD WEDDINGS

Luckybird wedding cakes are the perfect addition to a celebration of unique & beautiful love! We will work with you and your wedding team to craft a cake that perfectly fits your wedding vision.

## CAKE SIZES & PRICING

Wedding cakes are priced by the serving starting at \$11 per serving. Our signature frosting style is semi-frosted or “naked” cakes. Fully frosted cakes, and custom flavor cakes, are priced starting at \$12 per serving.

The dimensions of your cake (height, width, and number of tiers) can be scaled to fit your needs while still feeding all your guests. We will be happy to discuss options with you no matter the size of your guest list!

This pricing includes beautiful, seasonal, floral adornment. Specific, elaborate, or exotic adornment would be an added cost depending on the specifics requested. Other add-ons such as caramel or chocolate drizzle or gold leafing would also be an added cost based on the size of the cake. Email us for a custom quote.

Wedding delivery starts at \$75 and is based on distance from our East Williamsburg storefront.

## WEDDING CAKE TASTING

The best way to get started planning your wedding cake is with a cake tasting!

Cake tastings are \$80 and include your choice of 4, 5-inch (2 layer) tasting cakes from our menu (see next page).

Tasting cakes can be picked up from our storefront, or delivery cost is based on distance. Once you have had a chance to taste your cakes, we would love to schedule a follow-up phone consultation to discuss flavors, servings, and aesthetics. Email us to book your tasting cakes.

If you prefer to try fewer than 4 cakes, you are welcome to order any number of tasting cakes for pick up at \$25 per cake.

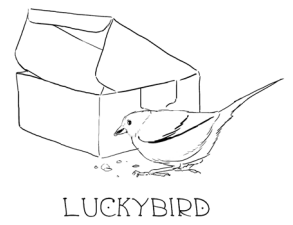

Please don't hesitate to email us with any questions regarding our tasting options.
